SUCCESS: FULL LIVING (Spirituality for the 21st Century)

This is the program that Fr. Justin has carried to 17 countries around the world. It is a guide to personal and global peace.

The workshop explains the **Life Mechanism** and how it works. If you make one set of choices you will create a satisfying life. If you make another set of choices you will create a dissatisfying life. The choice is always yours.

During the week-end you will be able to complete a detailed self-evaluation: set goals in seven major areas of your life: learn to develop positive attitudes, and much, much more.

You can carry away from this workshop tools that you can use for the rest of your life, and tools that you can give to your children and grandchildren for the rest of their lives.

First hour of the class is free and open to the public.
